Hi Mike. I contacted Deirdre Donahue at the Department of Interior to ask if she had a point of contact or other resources that might be useful to you in starting a trustee council. She provided me the following link to the Bureau of Land Management NRDAR handbook. Here is a link to the handbook: [https://www.blm.gov/sites/blm.gov/files/uploads/Media\\_Library\\_BLM\\_Policy\\_Handbook\\_H-1703-3.pdf](https://www.blm.gov/sites/blm.gov/files/uploads/Media_Library_BLM_Policy_Handbook_H-1703-3.pdf) Deirdre also provided a contact for me to send a letter out to the natural resource trustees notifying them of the ongoing negotiations. I will prepare that letter for signature this week.

I also contacted Richard DuBey at the law firm of Ogden Murphy Wallace. He would be happy to talk to you about setting up a NRT council. I will send a separate email introducing the two of you.

Finally, I'm checking in to see if the Tribe plans to provide EPA with comments on the draft SOW. The Shoshone Bannock Tribes are planning to provide EPA comments on the SOW today. As I mentioned, the parties are meeting on November 18<sup>th</sup> to talk about comments received on the SOW. Please let me know what your plans are for sharing comments with EPA so that we can make sure that the Tribes' comments are carefully considered.

Thanks, Mike.

Elizabeth
